Caracteristici ale dulapului: Constructie metalica solida Trei zone de depozitare bine definite Rafturi incapatoare si bara pentru umerase Inchidere sigura cu sistem de blocare in 3 puncte Posibilitate de fixare pe perete Culoare: antracit-albastru Dulap de curatenie versatil si securizat DAWID Dulapul metalic DAWID este alegerea perfecta pentru spatiile unde organizarea este esentiala. Dimensiunile sale compacte si capacitatea generoasa il fac ideal pentru birouri, ateliere, sali de sport, cabinete medicale sau chiar pentru acasa. In interior pot fi depozitate haine, unelte, dosare, cutii si alte accesorii. Dulapul cu inchidere, in combinatia interesanta de antracit si albastru, valorifica eficient spatiul si ajuta la mentinerea ordinii. Dulap rezistent pentru utilizare indelungata Dulapul cu doua usi este fabricat din otel de calitate, cu grosimea de 0,6 mm, ceea ce ii confera o structura solida si durabila. Acoperirea prin vopsire in camp electrostatic creste rezistenta la deteriorari mecanice si coroziune. Modelul DAWID isi pastreaza aspectul si functionalitatea chiar si dupa ani de utilizare intensa. Compartimentare eficienta in 3 zone Dulapul DAWID este impartit inteligent in trei zone de depozitare, ceea ce permite o organizare rationala si o amplasare comoda a obiectelor. Pe raftul superior se pot aseza lucrurile rar utilizate, iar pe celelalte - obiecte des folosite (ex. caciuli, manusi, carti, articole de birou sau atelier). Fiecare raft suporta pana la 50 kg. Bara de haine din compartimentul adanc permite agatarea hainelor fara a se sifona. Aceasta impartire in trei zone permite utilizarea optima a spatiului. Dulap stabil si cu inchidere sigura Dulapul este dotat cu o incuietoare fiabila cu trei puncte, care ofera control total asupra accesului la continut. Se pot depozita in siguranta obiecte de valoare si documente importante. Inchiderea cu cheie este utila si in locuintele cu copii mici. Fixarea pe perete elimina riscul rasturnarii dulapului.
