Dulapurile BHP sunt indispensabile in fabrici, scoli, sali de sport, piscine, centre comerciale, biblioteci si cabinete medicale. Un dulap profesional trebuie sa ofere loc pentru obiecte de valoare (de exemplu, portofel, telefon), mancare, carti si o geanta. Dulapul metalic pentru gustari MARCIN le poate depozita pe toate acestea fara a ocupa mult spatiu. Dulap rezistent pentru sarcini speciale Dulapul MARCIN este fabricat din otel de inalta calitate cu grosimea de 0,6 mm si acoperit cu vopsea pulbere. Acest lucru ii confera o rezistenta ridicata la deteriorari mecanice, pastrandu-si aspectul impecabil chiar si dupa ani de utilizare intensiva. Un alt avantaj este culoarea antracit care nu se decoloreaza, oferind un aspect elegant. Designul minimalist confera dulapului un stil modern. 12 compartimente incapatoare Dulapul social metalic MARCIN este echipat cu 12 compartimente, permitand depozitarea sigura pentru doisprezece persoane – solutia ideala pentru spatii restranse. Fiecare compartiment poate gazdui carti, caserole cu mancare, telefon, portofel, geanta sau chiar haine. Modelul MARCIN permite o organizare eficienta si sigura, maximizand utilizarea spatiului. Control total asupra continutului Fiecare compartiment este dotat cu o incuietoare solida, care nu se blocheaza. Posibilitatea de a inchide fiecare sectiune cu cheie ofera siguranta pentru obiectele depozitate si elimina grijile privind pierderea acestora. Dulapurile cu inchidere respecta cerintele GDPR si previn accesul neautorizat la date sensibile. Solutii ingenioase pentru usi Pentru o organizare si mai eficienta in vestiare, dulapul MARCIN este prevazut cu suporturi pentru etichete pe usa fiecarui compartiment. Acestea permit identificarea facila a utilizatorului fiecarui compartiment. Confortul este sporit si de orificiile de ventilare care asigura circulatia aerului si reduc acumularea mirosurilor neplacute.
