Caracteristicile dulapului cu compartimente: Construcie metalica solida 20 de compartimente spatiosase Fiecare compartiment incuiabil cu cheie Fante de ventilatie in usi Etichete pentru nume pentru o organizare mai buna Culoare: antracit si albastru Dulap metalic ROBERT – alegerea perfecta pentru vestiare In orice vestiar este necesar un dulap potrivit pentru depozitarea obiectelor angajatilor, elevilor sau clientilor. Dulapul ROBERT este o solutie excelenta chiar si pentru spatiile mai mici – datorita dimensiunilor compacte si a impartirii in 20 de compartimente. Acest mobilier BHP practic organizeaza excelent spatiul si contribuie la mentinerea ordinii. Ideal pentru firme, scoli, sali de sport si centre de servicii. Construcie rezistenta Dulapul antracit-albastru este fabricat din tabla de otel cu grosimea de 0,6 mm, acoperit cu vopsea pulbere. Acest finisaj sporeste rezistenta la deteriorari si coroziune, pastrand aspectul nou al dulapului ROBERT chiar si dupa multi ani de utilizare. Compartimentare functionala Dulapul ROBERT este impartit in 20 de compartimente cu dimensiuni de 36 x 24 x 45 cm. Acestea sunt ideale pentru haine, incaltaminte, genti, rucsacuri, caserole, carti sau documente. Mobilierul BHP permite

schimbarea comoda a hainelor si depozitarea obiectelor personale pentru pana la 20 de persoane. Economiseste spatiu valoros in vestiare. Compartimente incuiabile Fiecare compartiment este echipat cu o incuietoare cu un singur punct. Posibilitatea incuiata cu cheie ofera siguranta sporita si posibilitatea de a pastra obiecte de valoare si documente in siguranta. Este suficient sa invarti cheia pentru a avea control total asupra accesului la continut. Fiecare incuietoare vine cu doua chei – util in caz de pierdere. Detalii practice Fantele de ventilatie din usi asigura circulatia libera a aerului si elimina riscul acumularii mirosurilor neplacute si a umezelii. Astfel, obiectele depozitate raman proaspete chiar si dupa multe ore. Etichetele pentru nume imbunatatesc organizarea si faciliteaza identificarea compartimentului dorit.
