Caracteristici ale dulapului pentru haine: 6 compartimente incapatoare Constructie durabila din otel
Compartimente inchise cu cheie Bara pentru umerase montata Suporturi pentru etichete si orificii de ventilatie in usi Culoare alba Dulap vestiar metalic alb IGOR – mobilier universal pentru vestiar Dulapul metalic cu 6 usi IGOR este ideal pentru incaperile sociale din fabrici, ateliere, scoli sau sali de sport. Organizeaza excelent spatiul din vestiar si permite schimbarea hainelor si depozitarea acestora in conditii confortabile. Datorita structurii gandite si impartirii in 6 compartimente, dulapul alb este potrivit chiar si pentru spatiile cu suprafata limitata. Dulap extrem de durabil Dulapul pentru haine IGOR este realizat din otel solid cu grosimea de 0,6 mm, ceea ce ofera o structura puternica si durabila. Suprafata vopsita in camp electrostatic capata rezistenta la deteriorari si coroziune. Chiar si in conditii de utilizare intensiva, aspectul si proprietatile sale nu sunt afectate negativ. Compartimente practice In dulapul de vestiar a fost aplicata o impartire ingenioasa in 6 compartimente independente. Sunt suficient de mari pentru a depozita haine de schimb, un rucsac sau o geanta, incaltaminte si obiecte personale. Bara montata in compartimente permite agatarea convenabila a hainelor, astfel incat acestea sa nu se sifoneze si sa ramana proaspete. Datorita acestor solutii, dulapul IGOR cu 6 usi valorifica optim spatiul. Depozitare sigura In toate cele sase compartimente se afla incuietori solide. Se pot depozita obiecte de valoare (telefon, portofel, documente) fara teama de pierdere. Modelul IGOR garanteaza accesul la continutul compartimentului exclusiv persoanei autorizate. Dulapul incuiat cu cheie indeplineste cerintele GDPR 2018. Solutii functionale Dulapul vestiar metalic a fost proiectat in detaliu pentru a spori confortul utilizatorilor. In usile fiecarui compartiment se afla orificii de ventilatie care asigura circulatia constanta a aerului. Aceasta elimina riscul acumularii mirosurilor neplacute, iar obiectele depozitate nu absorb mirosuri neplacute. Pentru o mai buna organizare in vestiar, pe usile compartimentelor se afla suporturi pentru etichete de identificare.
