Are you looking for the ideal chair that combines ergonomics, luxury, and durability for your office? The Ferka office chair is the answer! Designed to provide maximum comfort and support during long working hours, while simultaneously elevating the aesthetic of any professional space. Technical specifications: Butterfly mechanism / Adjustable backrest: Allows the seat to lock in any position you desire, offering stable support for the lower back and spine. The reclining and locking ability invites you to enjoy small moments of relaxation right at your desk, helping you return refreshed. Knee Tilt mechanism: The tilt mechanism adjusts according to the user's weight and can lock into different positions. Adjustable height: Enables the seat to adapt and lock into the proper ergonomic position depending on the user's height. According to ergonomic guidelines, the legs should form a 90° angle with the floor. Durable metal frame: Supported on a five-point curved chrome-plated metal base with high-strength castors. PU leather: Upholstered with durable PU leather, offering longevity and easy cleaning. Armrests: Designed to follow the natural angle of the arms and reinforced with PU leather for added comfort. Reinforced class 3 gas lift. Available in brown color. Product dimensions: Length: 64 cm Width: 71 cm Height: 120-128 cm Seat height: 48-56 cm Seat depth: 54 cm Backrest height: 76 cm Material information: PU - Synthetic leather (upholstery): PU is an imitation leather, referring to the polyurethane polymer. It is widely used thanks to its excellent properties: good durability, easy cleaning, water resistance, shape retention, and environmental friendliness. Care instructions: PU synthetic leather: Use a soft cloth to remove dust from the surface. For stains, use lukewarm water and mild soap, then wipe the area. Always dry the surface afterwards with a dry cloth to avoid water marks. Notes: The product is delivered unassembled, in factory packaging, with detailed assembly instructions. The product's color shade may vary slightly compared to its photographic depiction on your screen.
