Caracteristicile politei de perete: Constructie robusta din otel Sistem de prindere ascuns Panou spate complet Margine frontala rotunjita Montaj simplu si rapid Culoare: negru Polita de perete neagra JOANNE – un element universal al unui interior modern Polita de perete JOANNE in culoare neagra eleganta este o solutie practica si stilata pentru diverse interioare. Se potriveste perfect in living si dormitor, precum si in birou si camera de studiu. Designul sau minimalist o face potrivita pentru lofturi industriale, amenajari clasice si spatii moderne. Este locul ideal pentru carti, decoratiuni, plante sau accesorii de birou. Polita robusta Polita modulara JOANNE, cu o lungime de 400 mm, este realizata din otel laminat cu grosimea de 1,1 mm si finisata cu vopsea pulbere durabila. Datorita acestui lucru, polita este rezistenta la deteriorari, zgarieturi sau coroziune si isi pastreaza intensitatea culorii chiar si dupa multi ani. Detalii practice Panoul spate complet al politei previne alunecarea obiectelor, iar marginea frontala rotunjita reduce riscul de accidentari in utilizarea zilnica. Aceasta combinatie de estetica si functionalitate se dovedeste practica in orice incapere. Montaj usor si structura modulara Datorita sistemului de prindere ascuns, polita metalica isi pastreaza aspectul atragator fara suporturi vizibile. Montajul este rapid si simplu – este suficient sa fixati bara pe perete si sa agatati polita de ea. Posibilitatea de a combina mai multe elemente vertical sau orizontal permite crearea unor seturi de efect chiar si in spatii reduse.
