Descriere

Are you looking for an office chair that stands out? The Kaline chair combines classic elegance with modern functionality, offering a sense of luxury and exceptional comfort for your workspace. Ideal for offices that want to exude prestige and sophistication. Technical Specifications: Butterfly / Adjustable Back Mechanism: Allows the seat to lock in any desired position, providing stable support for your lower back and spine. The backrest can tilt and lock up to 180°, letting you enjoy brief moments of relaxation even at work. Knee Tilt Mechanism: The reclining mechanism adjusts according to the user's weight and can be locked in multiple positions. Adjustable Height: The seat can be raised or lowered to the proper ergonomic position, ensuring your feet form a 90° angle with the floor. Durable Metal Frame: Supported by a five-star curved chrome metal base with high-strength wheels. PU Leather Upholstery: High-quality synthetic leather provides durability over time and allows for easy cleaning. Armrests: Follow the natural angle of your arms and are reinforced with PU leather for added comfort. Class 3 Gas Lift: Enhanced support for smooth height adjustment. Color: Green Product Dimensions: Length: 69 cm Width: 79 cm Height: 115–123 cm Seat Height: 48–56 cm Seat Depth: 54 cm Backrest Height: 74 cm Material Information: PU Leather / Synthetic Leather Upholstery: PU (Polyurethane) is a widely used leather alternative known for its durability, easy maintenance, water resistance, and eco-friendliness. Maintenance Instructions: PU Leather: Use a soft cloth to remove dust. For stains, use lukewarm water with mild soap and wipe gently. Always dry the surface with a clean cloth to avoid water marks. Notes: The product is delivered unassembled, in factory packaging, with a detailed assembly guide. The color of the product may slightly differ from its photographic depiction on your screen.
